DATE of Application _____

Whilst every care is taken to find the right cat for you, we cannot guarantee behaviour, nor can we guarantee that will have a cat suitable for you.

We have a rehoming fee of £70 for cats. All our cats are neutered and if not neutered at the time of rehoming will be required to be neutered as soon as permitted by a vet. All adoptions will only take place following meeting the cat at the sanctuary and a home check.

We will be in contact as soon as we can. Please be patient as we are a small organisation with low staffing numbers and deal with a large influx of calls and emails every day.
