Whilst every care is taken to find the right dog for you, we cannot guarantee behaviour, nor can we guarantee that will have a dog suitable for you.

We have a minimum rehoming fee of £70 for dogs. All our Dogs are neutered and if not neutered at the time of rehoming will be required to be neutered as soon as permitted by a vet. All adoptions will only take place following meeting the dog at the sanctuary and a home check as a minimum requirement.

We will be in contact as soon as we can. Please be patient as we are a small organisation with low staffing numbers and deal with a large influx of calls and emails every day.
